### **Frequently Asked Questions (FAQ) (3)**

**I don't have enough funds to achieve Outcome-3. I have savings from some activities in Outcome-2. Is there any flexibility between Outcome-2 and Outcome-3?**

Yes. In exceptional circumstances there is flexibility between Outcome-2 Output-1, Outcome-2 Output-2 and Outcome-3 Output-2. Please note that flexibility will be considered for these lines ONLY. In addition, you must clearly explain, and sufficiently justify, the exceptional circumstances in your proposal submission.
